MACHINE**

About Us

Advance Hydrau-Tech Pvt. Ltd. has established a praiseworthy reputation on the basis of performance, quality, creativity, and service over the past 40 years to establish itself as one of the top manufacturers and suppliers of cutting-edge waste management and recycling solutions worldwide. We have expanded to become a provider of recycling solutions in more than 70 countries. We have installed custom machines made to order with unique scales and specifications as per the expectations of buyers. Our emphasis on innovation, high-quality products, and great customer service both during and after the sale is well-known and praised in the sector. Customers can avail Semi Automatic Baler, Fodder Baler And Block Making Machine, TMR Mixer Machine, etc. from our podium.

Our four decades of experience enable us to offer our clients expert guidance and consultation regarding their need to increase current production or to construct a new setup in order to maximize ROI. We firmly believe in developing long-lasting working relationships with our clients and are constantly available to provide the best advice in the field as well as prompt after-sales support.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	paper baling press machine,baler machine,scrap baler,automatic baler ,metal baler,hydraulic baling press,scrap baling press
No of Staff	200
Year of Establishment	1982
No of Production Lines	2
OEM Service Provided	Yes
ProductRange	paper baling press machine,baler machine,scrap baler,automatic baler ,metal baler,hydraulic baling press,scrap baling press

Our Products

Vertical Briquetting Machine

Continuous Baler

Continuous Baler Machine

High Density Balers

Mobile Baler Machine

Triple Action Baler Machine

Double Action Baler Machine

Single Action Baler Machine

Automatic Double Action Baler Machine

High Density Balers Machine

Vertical Baler For Paper Waste

Scrap Baling Press Machine

Vertical Baler Machine

Alligator Shear Machine

Horizontal Briquetting Machine

Semi Automatic Baler
