# About Us

With a clear cut understanding in the field of logistics & transportation, Challenger Cargo Carriers Pvt. Ltd. is reckoned as a reputed business entity in the industry today. We are a government approved and licensed service provider engaged in handling all kinds of logistics, cargo handling, freight forwarding, etc. solutions. Having been into this field for 34 years, we have successfully established strong networks all over the world. This helps us in meeting all the freight forwarding needs of our clients, be it in India or overseas.

Being a well-experienced company, we strictly adhere to quality norms and procedures as per the standards. We have also created strong links with various shipping and airline agencies all over the world, in order to carry out all our services such as International Freight Forwarder Services, Customs Clearing And Brokerage Service, Import Cargo Transportation Service, Sea Cargo Service, Logistics Service, and many more.

Our company is located at New Delhi in India, and we possess a well furnished and centrally located office at our premises. Apart from this, we are also backed by a team of highly experienced and qualified professionals who work effortlessly to provide the highest quality services to meet the clients' exact shipping and freight forwarding needs.

## Our Mission

We follow a systematic working methodology in accomplishing all the undertaken projects within the specified time. We also ensure that our clients are never misinformed on the latest developments that take place during their shipments.

## Domain Expertise

We have acquired a thorough understanding of the procedures and formalities that are necessary to carry out our logistics services. We adhere to quality norms as per the international standards and also comply with the rules and regulations set by the Indian Government for the shipment as well as custody of consignments.

We also have a team of highly qualified professionals with wide knowledge and experience in this field. Through their level of expertise and understanding, we are able to fulfill all the demands and requirements of our clients related to Sea Cargo Service, Import Cargo Transportation Service, Logistics Service, etc. and also to develop our service quality as per the market trends.
