6V2AMP BIS SMPS ADAPTOR

12V AC DC ADAPTOR

About Us

Established in 2010 and headquartered in Delhi, India, Surya Electronics is a distinguished Manufacturer, Importer, Exporter, Trader, and Supplier of top quality electronic products. Over the years, we have built a strong reputation for our extensive range of offerings, including SMPS Adapter, CCTV Camera Power Supply, Automotive Battery Charger, Dish TV Adapter and so on. Owing to our commitment to strict quality standards, our products consistently meet industry benchmarks and customer expectations. We take pride in delivering durable, reliable, and efficient solutions, earning the trust of clients both domestically and internationally. Our dedication to quality is further validated by our BIS certification, highlighting our adherence to recognized safety and performance norms.

Our strength lies in our skilled and experienced team. We conduct frequent expert led sessions to evaluate and enhance the skills of our professionals, assigning tasks aligned with their expertise. This ensures innovation, precision, and customer centric solutions in every project we undertake. Our journey has been guided by our visionary mentor, Mr. Surya Bhan, whose profound knowledge and expertise in the electronic domain have been instrumental in steering the company to its current stature. Under his leadership, we continue to expand our reach, offering customized products and services that cater to a diverse and growing clientele.
