

Demagnetizer Machine

Bin Vibrator, Cable Drum, Circular Lifting Magnets, Circular Motion Inclined Screens, Concrete Vibrator, Demagnetizer, Demagnetizer Machine, Demagnetizer Plate, Electro Magnetic Clutches, Electromagnetic Chucks, Ferrite Magnets, Hump Magnet, Industrial Electromagnets, Industrial Grills, Magnetic Coolant Separator, etc.

DEMAGNETIZER

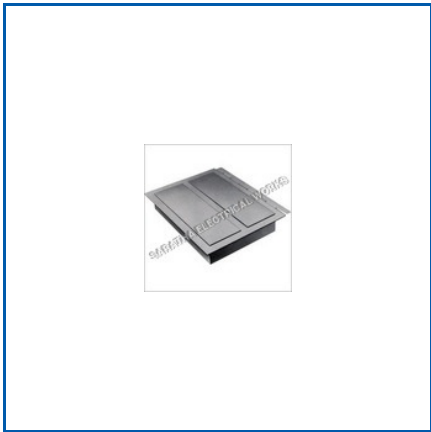

PLATE MAGNETS

DEMAGNETIZER MACHINE

## About Us

With our mission to offer superior quality products to the clients within stipulated time period, we, Saratha Electrical Works, are an eminent manufacturer, exporter and supplier of Industrial Equipment. Our range comprises Alnico magnet, Ferrite magnet, Rare earth magnets and all etc., Ball vibrators, Bin vibrators, Circular vibrating screen, Rectangular vibrating screen, Circular electro lifting magnet, Circular lifting magnet, Rectangular lifting magnet, Unbalance Motor Vibrator Coil, Boveal Feeders and VIB-Feeders, De-Magnetizers, Over band separator, Suspension magnet, (Electro/Permanent) Folding magnet, Metal detectors, Drum Separator (Wet/Dry type), Magnetic grills, Electro magnetic chuck. These products are widely appreciated for various features like easy handling, available in various sizes & dimensions, customized designs, flawless operations, and so forth. Further, in our drive to manufacture our range of products, we have established a sophisticated infrastructure that allows us to develop quality product range. It is well fitted with advanced and innovative machines and amenities. Moreover, our workforce perfectly make use of these installed machines in order to manufacture our products as per defined guidelines of the industry.

Our experience has enabled us to acquire the position of an eminent manufacturer, exporter and supplier of the Industrial Equipments. Our range comprises Ball Vibrators, Bin Vibrator, Cable Drum, Circular Lifting Magnets, Circular Motion Inclined Screens, Concrete Vibrator, and many more. Further, we are supported by a team of professionals, who performs stringent tests to assure high quality flawless products. They give their cent percent potential to fulfill all the organizational goals. Moreover, we have a capacious warehouse and wide network of transporters for safe storage and timely delivery of the products.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>No of Staff</b>	5
<b>Year of Establishment</b>	1989
<b>OEM Service Provided</b>	No

## Our Products

**Magnetic Drum Separator**

**Industrial Grills**

**Magnetic Coolant Separator**

**Cable Drum**

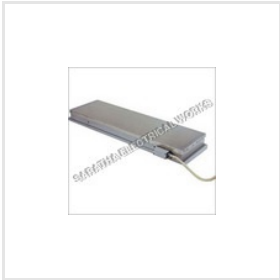

**Electro Magnetic Clutches**

**Demagnetizer Plate**

**Magnetic Floor Sweeper**

**Electromagnetic Chucks**

**Over Band Electro Magnetic Separators**

**Hump Magnet**

**Rectangular Plate Magnets**

**Industrial Electromagnets**

**Rectangular Lifting Magnet**

**Ferrite Magnets**

**Circular Lifting Magnets**

**Small Feeder**
