

## Turnkey Customized Skid Mounted Pilot Plant

Manufacturer and Supplier

10 Litre Electrically Heated Pilot Reactor for Hydrogenation, 12 Inch SS Chromatography Column System With Top Adaptor Lifting Arrangement, 2 Litre Reaction System with Instant Heating, 25 Litre High Pressure Pilot Reactor for Polymer Industry, 2500 Litre Stainless Steel Pressure Vessel, 4 Inch SS Chromatography Column System With Top Adaptor Lifting Arrangement, 6 Inch Glass Chromatography Columns, etc.

AGITATORS FOR HEAT TREATMENT  
FURNACE DUTY

STATOR WITH COVEL DISK AND  
HYDROFOIL FOR HIGH SHEAR MIXING

AGITATOR FOR BITUMEN  
EMULSION SERVICE

## About Us

Snowtech Equipment Private Limited stands at the forefront of engineered process solutions, delivering equipment designed for precision, durability, and performance. As a manufacturer and supplier, the company specializes in a wide range of industrial systems including SS Mixing Plants, Disperser Homogenizers, Glass Chromatography Columns, Mixing Agitators, and related process equipment. Backed by strong engineering capabilities and practical industry experience, each product is developed to support efficient operations across pharmaceutical, chemical, food, and allied sectors. A focus on quality materials, customized design, and stringent manufacturing standards ensures dependable performance and long service life. Through innovation, technical expertise, and customer-centric execution, Snowtech Equipment Private Limited continues to support evolving industrial process needs with reliable and efficient solutions.

## Key Facts

<b>No of Staff</b>	13
<b>Year of Establishment</b>	2005
<b>OEM Service Provided</b>	No

## Our Products

**Agitator For High Viscosity Material**

**Bottom Mounted High Speed Agitator For**

**Multiple Impeller Agitator With Foam**

**Steel Agitator**

**Multi Impeller Agitator**

**Multi Ple Agitators With Hydrofoil Impellers**

**Side Entry Agitator**

**Side Entry Agitator**

**Agitator For Soap Preparation Vessel 50t**

**Distillation Skid For Bio Diesel Manufacturing**

**Distillation Skid For Bio Diesel Manufacturing**

**Distillation Skid For Bio Diesel Manufacturing**

**Distillation Skid For Bio Diesel Manufacturing**

**Skid Of Mol. Sieve Based Solvent Drying**

**Reboiler Of Batch Distillation Unit**

**Central Agitator Installed On**
