

## EXTRACTION PLANTS & MACHINERY

A promise to offer products with higher quality standards.

Solvent Extraction Plant | Continuous Solvent Extractor | Continuous Solvent Extraction Plant

Arisdyne CFC Technology, Automatic Density Separator Machine, Automatic Destoner Machine, Automatic Dewaxing Winterization Plant, Automatic Double Drum Hull Beater Machine, Automatic Huller Shaker Machine, Automatic Hulls And Seed Separator, Automatic Online Weighing Machine, etc.

EDIBLE OIL REFINERY PLANT

INDUSTRIAL OIL REFINERY

CONTINUOUS PHYSICAL REFINERY PLANT

## About Us

Since inception in 1939, Kumar Metal Industries Pvt Ltd (KMIPL) has earned global distinction as a detail engineering & manufacturing organization with proven excellence in Oil Mill Machinery, Solvent Extraction & Edible Oil Refining Plants. An industry leader (ISO 9001-2008 & CE approved company) of matchless repute, today the company boasts of worldwide presence in more than 30 countries with firm and enduring relationships with over 500 national and overseas clients. Currently, with our commitment to quality and cooperation, we are satisfying project management needs of multiple industries including oil seed processing, solvent extraction, edible oil refining, fractionation and more.

We are headquartered in Mumbai. We also have a large manufacturing unit (40,000 square feet in size), where a pool of over 150 trained technicians, quality control experts, and competent workmen follows strict process controls and utilizes hi-tech European machinery to manufacture products like Oil Mill Machinery and others to the requested standards. Our fabrication facilities are well installed with latest equipment and certified x-ray qualified welders, which helps us design high pressure vessels as per modern technology. For designing hard facing & critical wear and tear parts, we have with us TIG / MIG welders having rich domain expertise and experience. Additionally, our dedication to quality is backed by a seasoned quality control staff who keeps a tab on every stage of production ensuring our clients always get quality-assured products aligning with latest technology.

## Key Facts

<b>Nature of Business</b>	Exporter
<b>Primary Competitive Advantages</b>	edible oil refinery,Edible Oil Refinery,solvent extraction plant,oil mills,Oil Mill, Solvent Extraction Plant, Edible Oil Refinery
<b>No of Staff</b>	250
<b>Year of Establishment</b>	1939
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	edible oil refinery,Edible Oil Refinery,solvent extraction plant,oil mills,Oil Mill, Solvent Extraction Plant, Edible Oil Refinery

**Our Products**

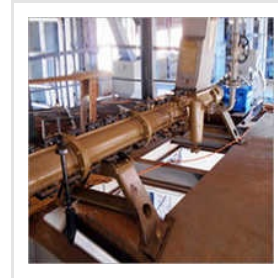

**Batch Neutralizing Plant**

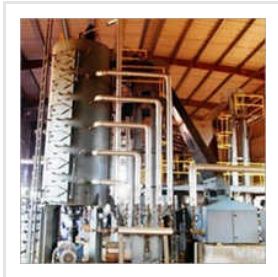

**CPM Equipments**

**Oil Mill Machinery**

**Expander With Conditioner**

**Cooker Conditioner Plant**

**Degumming Plant**

**Oil Neutralizer Plant**

**Deodorization Plant**

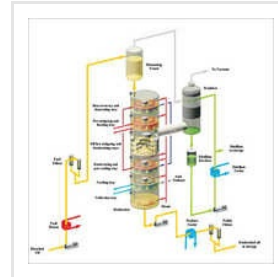

**Fractionation Plant**

**Lecithin Drying Plant**

**Vertical Seed Conditioner**

**DI-Flow Semi Continuous Deodorizer**

**Crown Design Model III Extractor Plant**

**Partial Dehulling Machine**

**Feed Mills Plant**

**Crown Design Schumacher DTDC**
