MONOHYDRATE**

About Us

Vinipul Inorganics Private Limited believes that its clients should be amazed at its commitment to exceeding their needs and expectations. The company has been supplying Textile Optical Brighteners for over five years and has built a commendable reputation because of exceptional product quality and the best in customer relations. We as a well integrated company focus on providing our clients full attention at all times, following which we provide premium quality Paper Optical Brightener and others that we market under our brand name "WHITE AKASH". We supply our range to some of the best companies in multiple sectors viz Textile, Paper, Paint, Plastic and Detergent. We use German Technology and our Monthly productions is 100 Metric Tons. We regularly export our products to many international clients based across Dubai, Pakistan, Vietnam, Sri Lanka, Indonesia, and more.

In addition to supplying top-quality Optical Brighteners, we also provide a selection of inorganic chemicals such as Ammonium Chloride, Zinc Sulphate Heptahydrate, Sodium Phosphate, Ammonium Sulphate, Manganese Sulphate, Potassium Phosphate, Sodium Acetate, Potassium Acetate and many more. As an efficient manufacturer, we assure that we will do our utmost to provide you with everything your customers may need.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	potassium dihydrogen phosphate, ammonium phosphate monobasic, sodium acetate trihydrate, sodium acetate anhydrous, potassium monohydrogen phosphate, potassium phosphate dibasic
No of Staff	25
Year of Establishment	1984
OEM Service Provided	No
Product Range	potassium dihydrogen phosphate, ammonium phosphate monobasic, sodium acetate trihydrate, sodium acetate anhydrous, potassium monohydrogen phosphate, potassium phosphate dibasic

Our Products

Ammonium Sulphate

EPSOM Salt

Ferrous Sulphate Anhydrous

Ammonium Oxalate

Acetic Acid 30% Water

Phosphoric Acid 85%

Sodium Carbonate (Soda Ash)

Tetrasodium Pyrophosphate

Sodium Hexametaphosphate

Di Sodium Phosphate

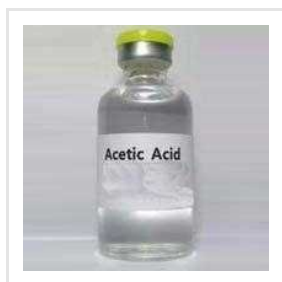

Aluminum Sulphate

Sodium Di Acetate - Anhydrous Pharma

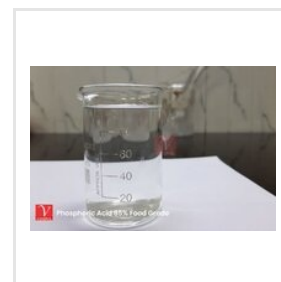

Tetra Sodium Pyrophosphate

Acetic Acid

Sulphamic Acid

Industrial Grade Phosphoric Acid 85%

ADDRESS

1/3, Kandhari Colony, 2nd Road,
Chembur Mumbai,
Maharashtra, India (400071).
