

## TEST REPORT

|                       |                   |                              |                    |
|-----------------------|-------------------|------------------------------|--------------------|
| <b>Name of Sample</b> | 2 Phenoxy Ethanol | <b>Date of Manufacturing</b> | March -2024        |
| <b>Description</b>    | Clear Liquid      | <b>Batch No.</b>             | 117/B/DPHE/05/2024 |
|                       |                   | <b>Expiry Date</b>           | 2 Years            |

| Test Parameter                   | Limit                     | Result       |
|----------------------------------|---------------------------|--------------|
| Appearance                       | Clear Liquid              | Clear Liquid |
| Colour                           | Colourless to Pale Yellow | Colourless   |
| Moisture                         | 0.5% Max                  | 0.13%        |
| Purity by GC                     | 98% ~ 100%                | 99.98%       |
| Phenol Content<br>(By HPLC. ppm) | 10ppm                     | 3 ppm        |
| pH in 1% aq.<br>Solution         | 5 ~ 7                     | 6.81         |
