## About Us

Based in Mumbai, we are one of the leading suppliers, exporters and traders of ferrous metals, non ferrous metals, ferrous minerals and non ferrous minerals. From our foundation in 1992, we have developed about 25 years of experience as a major long term raw material solutions provider. We specialize in providing services that are transparent and cater to requirements of businesses small and big, alike. Capitalizing on our industry experience, we execute orders in a hassle-free manner with close attention to the minutest of details as desired by clients.

From procurement to marketing, Metal Alloys (India) is a trading, supplying and distribution company of Ferro Alloys, Base Metals, Minor Metals, Light Alloying Elements & Minerals, offering customized financial, logistical and raw material solutions to Steel, Chemical Industries & Metal Foundries. Established in 1992, based in Mumbai, we are strategically located near the busiest sea port in India, Nhava Sheva, with stock depots in Bhiwandi, Gujarat and Telengana, creating a unique position in the supply chain of Ferrous & Non-Ferrous Metals.
