

(An ISO 14001: 2015 Certified Company)

INDIA

# PROFILE :-

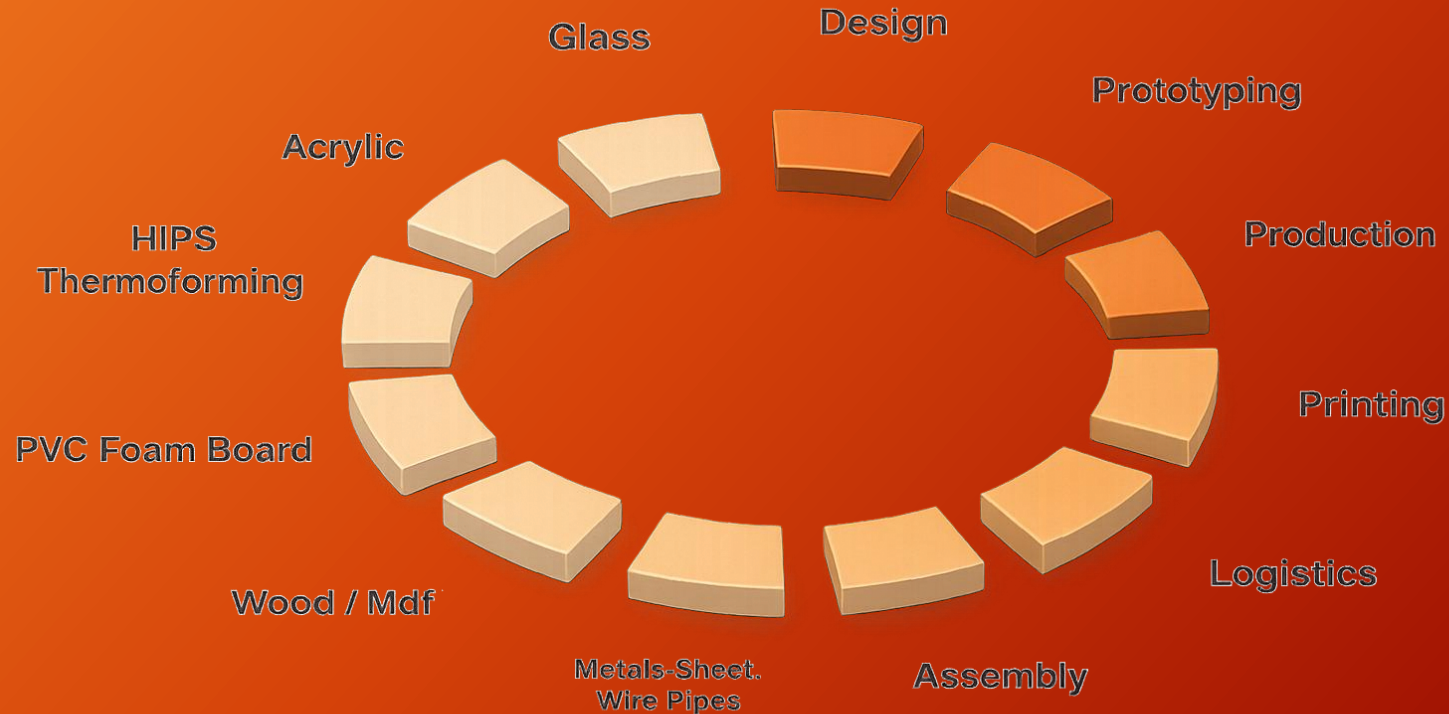

## KG Displays:-

- KG Displays is Pioneer in manufacturing of retail fixture for various industries like Lifestyle, Electronics, Grocery, Supermarket & Hypermarket.
- Established in 2000 By Mr. Shanker Chaudhary (CEO, Chairman), We holds a good reputation in delivering Quality products across Indian and globe markets. With state of the art manufacturing facility at Mundka Industrial Area, New Delhi, we offer our customers a long-term collaboration based on original solutions and individual approach providing reliability and flexibility in our services.
- Our 99,000 sq ft plus dedicated production facility has all latest imported machinery from Japan & Europe for fabrication of Sheet metal, MS wire & pipes, Stainless Steel, Wood, MDF, Plastic and Acrylic. A fully conveyerised powder coating plant enables us to supply both small and large orders without losing our focus on quality and price competitiveness.
- KG Displays seamlessly translates customer requirement into a retail experience that extends and reinforces our clients marketing strategy and delivers sales results. We maintain our steadfast commitment to quality and innovation in design, development and manufacturing of displays, fixtures and retail equipments.
- We prioritizes excellent standards, quality, innovation, customer service, competitive pricing and speed to market through our most modern manufacturing facility.

# PROCESS ....

Through well programmed process, we make efforts to add value to the projects at every step. By combining latest Technologies & process, material selections and through perfect execution, we create successful retail activations.

## PRODUCTION CAPABILITIES & INFRASTRUCTURE

- Seamless integration of creativity and technology enables us to deliver high-quality projects from concept to completion.
- Total production area of over 90,000 sq. ft.
- Equipped with cutting-edge technology and state-of-the-art machinery for metal, acrylic, wood, and plastic fabrication, including powder coating plants and CNC routers.
- Successfully executed 5,000+ innovative display designs.
- Strong production team comprising 180+ skilled and dedicated professionals.

The image displays four promotional displays for different brands, arranged horizontally against a solid orange background.

- Display 1 (Left):** A red metal shelving unit with five shelves. Each shelf is filled with bags of BINGO! snacks. The top of the unit features a large yellow sign with the BINGO! logo. The sides of the unit also have BINGO! branding.
- Display 2:** A tall, narrow red metal shelving unit with five shelves. The left side of the unit is covered in a large yellow banner featuring the Kurkure logo, the text "TADHA hai Par MEHRA hai", and an image of a woman holding a bag of Kurkure. The right side of the unit is open, showing the empty shelves.
- Display 3:** A tall, narrow red metal shelving unit with five shelves. The front of the unit is covered in a large yellow banner featuring the Maggi logo, the text "Maggi", and an image of a bowl of Maggi soup. The right side of the unit is open, showing the empty shelves.
- Display 4 (Right):** A tall, narrow red metal shelving unit with five shelves. The front of the unit is covered in a large yellow banner featuring the Mamy Poko Pants logo, the text "Mamy Poko Pants", and an image of a baby wearing a diaper. The right side of the unit is open, showing the empty shelves.
