About Us

Incorporated in the year 1985 with the ability to make the dream of the customers come true, we, Gaylord Enterprise, are counted amongst the most remarkable wholesalers, distributors, suppliers and traders of a wide range of Stainless Steel & all other kind of SS Mosquito Nets, Wire Mesh. Our product encompasses Metal Wire Netting, Stainless Steel Wire Mesh, Aluminium Wire Mesh, Stainless Steel Mosquito Net and Industrial Wire Mesh. These products are developed with high grade stainless steel, metal and other material that provide them high strength and durability to work in adverse business conditions. Apart, our range is made available in varied sizes, shapes and designs that perfectly match to customers changing needs.

Further, we follow advanced working style in the sourcing process to flourish high in the business. We are teamed up with many trusted vendors, who are manufacturing these products in compliance with the industry set quality parameters. Our team also follows the Transparent Business Policies to be clear with the thoughts, strategies and other important factors with clients. Our motto is to win the loyalty and trust of the patron; hence we do everything that could earn their respect and simultaneously their trust.
