About Us

Owing to our excellent sourcing capabilities and client oriented approach, we, Vijay Kumar Sanjeev Kumar (Electricals), have scaled to the tremendous heights of success in the domestic arena. Established in the year 1969, we have become the most reliable source of premium grade electrical products. Following quality conscious approach in all our operations, we have positioned ourselves as an eminent Distributor, Dealer, Stockist, Supplier in the industry. We are dealing in a wide assortment of Wires & Cables, Weatherproof Junction Boxes, Flame Proof Junction Boxes, Switch Gears, Terminal Blocks, Cable Glands, Industrial Lights & Fixtures, Cable Joint Kits, Panel Boards & Accessories, and more.

We boast of a rich vendor base that supports us in exceeding the expectations of our clients. Our vendor base comprises highly reputed manufacturer like Hensel, C&S, Connectwell, Finolex Wire & Cable, Havell's, HPL, Standard, Schneider, Seimen's, Philips, Bajaj, Crompton, etc., who assure optimum quality of products like as Industrial Electrical Switchgear. We are also backed by the expertise of an adept team of professionals, who help us in attaining complete client satisfaction. Our sourcing agents and quality auditors make sure that all the procured electrical supplies are in compliance with industrial as well as safety standards. Their commitment towards quality has enabled us to develop amicable relations with prestigious entities like BHEL, GMR, Aster Tele Services Ltd., Airforce, Mother Dairy and others.
