

Water Treatment Chemical

Best Destination For Quality Lovers

Anti Scaling Chemical, Cooling and Boiler Water Treatment Chemical, Fire Retardant Chemical for Resin, Fire Retardant Chemicals, Fire Retardant Chemicals For All Types Of Fabrics, Fire Retardant Chemicals For PVC Cable, Fire Retardant Chemicals For Rubber, Fire Retardant Chemicals For Wood, Flame Retardant Chemicals, Humic Acid Powder, Industrial Water Treatment Chemicals, Potassium Humate Shiny Flakes, Ro Antiscalant Chemical, Ro Membrane Cleaning Chemicals, Super Potassium Humate, etc.

**FIRE RETARDANT CHEMICALS FOR
PVC CABLE**

**FIRE RETARDANT CHEMICAL FOR
RESIN**

**FIRE RETARDANT CHEMICALS FOR
ALL TYPES OF FABRICS**

About Us

Diamonds Chemicals is a professionally managed chemical manufacturing company founded in 2009 by Mr. Netaji Vasant Rao Palande, a seasoned expert with a Masters degree in Organic Chemistry and over 17 years of Research and Development experience. With a focus on innovation, quality, and customer satisfaction, Diamonds Chemicals has evolved into a reliable name in the chemical industry. Backed by a dedicated team of 20+ skilled professionals and a robust ISO 9001:2015 certified quality management system, we strive to deliver safe, efficient, and customized chemical solutions to industries and agriculture alike.

Diamond Chemicals founded in 2010, in Pune, Maharashtra, India, manufactures and supplies Bio Pesticides, Fire Retardant Chemical for Resin, Humic Acid Powder, Water Treatment Chemical, Anti Scaling Chemical, and more. Diamond Chemicals believes in responsible production and sustainable development. We are concerned with the environmental impact that is minimized by efficient use of resources and safe handling procedures. Our unrestrained research and development is focused on developing effective and environmentally conscious innovative solutions. In the future, we will continue to leverage our foothold in the chemical industry by ensuring that we continue to offer high-performance products that are supported by both technical and customer confidence.

Key Facts

No of Staff	13
Year of Establishment	2010
No of Production Lines	1
OEM Service Provided	No

Our Products

Humic Acid Powder

Anti Scaling Chemical

Water Treatment Chemical

Super Potassium Humate

Humic Acid Powder

Fire Retardant Chemicals For All

Fire Retardant Chemicals For Rubber

Cooling And Boiler Water Treatment

Ro Antiscalant Chemical

Fire Retardant Chemicals

Telta Pesticides

Ro Membrane Cleaning Chemicals

Industrial Water Treatment Chemicals

Fire Retardant Chemicals For Wood

Flame Retardant Chemicals

Potassium Humate Shiny Flakes
