About Us

Storage equipment are one of the most essential components of modern warehouses, retail showrooms and manufacturing setups. In storage and distribution facilities, there is always a requirement for proper storage shelves to arrange, store and display goods. Peace Storage System (P) Ltd. is a widely recognized name of the market, which as a leading firm is meeting requirements of people for storage products. We are a manufacturer of wide range of Ladder Cable Trays, Perforated Cable Trays, Racks, Trays, Trolleys, Safes and Almirah. Along with these, our company is highly trusted by a large number of people when it comes to availing Office Automation Items, Office Furniture, Hosiery Utilities, etc.

Peace Storage System (P) Ltd. owns 2 fully fledged production setups that are supported by all the necessary modern machinery, equipment and tools required to have a large amount of daily production of offered range. We have divided our infrastructure into different functional units which work in close proximity for an enhanced and reliable functionality. This helps us to produce world class array of products and fulfill any bulk or sudden orders of our clients. We also possess a warehouse which provides sufficient storage space for goods. It is situated in a centralized location which is well connected by roads to facilitate on time delivery.
