

## 3D Cable

Lugs

Together we work to **full-fill**  
your **needs**.

1 Phase Surge Protective Device, 1 Pole Miniature Circuit Breaker, 10250t Push Button, 12V Cooling Fan, 2 Meter Solid Copper Earth Rod, 2 Phase Surge Protective Device, 2 Pole Miniature Circuit Breaker, 24 pin Heavy Duty Connector, 3 Phase Surge Protective Device, 3 Pole Miniature Circuit Breaker, 4 Phase Surge Protective Device, 90MM PVC Spiral, ABB Legend Plate, AC Axial Cooling Fan, AC DC Distribution Box, etc.

HEX FORK TYPE LUG

BI-METALLIC LUG

RING LUG

## About Us

Matrix Electricals is a reputable brand in the business, acting as a dealer and supplier of top-quality electrical and electronic automation controls and components. With a focus on providing innovative solutions, we serve industries like automation, aerospace and defense, control panel, railway, solar, robotics, semiconductor, food processing, textile, power generation, pharmaceutical, printing, transit, wind, utility, and communications. Providing complete products such as a split bolt, bi-metallic lug, hex fork type lug, label printer, ferrule printing tube, ink ribbon and tape, switchgear, capacitor duty contactor, cooling fan, changeover switch, breaker control switch, flange type hex cable glands, and reducer type lug, we make sure that all customers get the ideal electrical connection solution under the same roof.

Founded in 2009 in Coimbatore, Tamil Nadu, Matrix Electricals has evolved as a prominent dealer and provider of superior-quality electrical and electronic automation components. Having more than a decade of experience, the organization has been able to supply industries ranging from automation, aerospace and defense, control panel, railway, solar, robotics, semiconductor, food processing, textile, power generation, pharmaceutical, printing, transit, wind, utility, and communications.

Our business is unique with its unflinching commitment to quality, transparency, and customer satisfaction. With ISO-certified manufacturing procedures, compliance with global safety standards, and an investment in environmentally friendly practices, the company is able to deliver each product against the highest industry standards. Strongly established across South India, with a comprehensive distribution network and customer-centric attitude, we remain committed to offering innovative solutions that improve efficiency, reliability, and long-term value.

## Key Facts

<b>Nature of Business</b>	Distributor
<b>No of Staff</b>	25
<b>Year of Establishment</b>	2009
<b>OEM Service Provided</b>	No

**Our Products**

**E4N250D Molded Case Circuit Breaker**

**Insulated Ring Socket**

**Split Bolt**

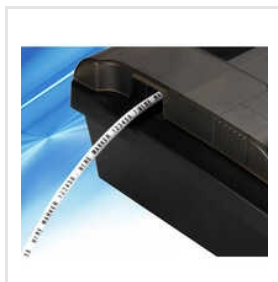

**PT E850TKW Ferrule Printing Machine**

**Pin Lug**

**Double Grip Reinforcements-Fork**

**Ferrule Printing Tube**

**Label Printer**

**PT-E550WVP P-Touch Printer**

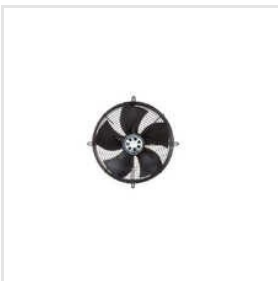

**PT-D400 P-Touch Printer**

**Switch Gear**

**Capacitor Duty Contactor**

**Cooling Fan**

**12V Cooling Fan**

**Ink Ribbon And Tape**

**Cable Lugs**
