## About Us

Nagarjuna Polymers is a reckoned manufacturer of HDPE Pipes, HDPE Pipes Fittings, HDPE Sewage Pipes, HDPE Perforated Pipes, HDPE Cable Duct Pipes and Sprinkler Irrigation Equipments in India. Our entire assortment of products is manufactured as per the ISI and other necessary international standards. We continuously redefine our quality standards while focussing on exceeding the same, thus enhancing value to end users. We started our operations in the year 1997 and today with an installed capacity of 2400 tpa, we are manufacturing HDPE Pipes starting from 20mm to 315mm dia. Our pipes are perfect for replacing GI, PVC and CI Pipes and are widely used in transportation of Gases, Portable Water, Distribution Lines, Chemicals, Electrical/Telecom Ducting, Sewerage/Drainage lines, Bore wells, Waste Disposal, Irrigation as well as Sprinkler Systems. Besides, we also maintain an inventory of HDPE fittings so as to provide our clients with a one stop solution.

NAGARJUNA POLYMERS - We are a reputed manufacturer and supplier of a wide range of HDPE Pipes, Sprinkler Irrigation Equipment & HDPE Fittings in India. Our product range encompasses HDPE Pipes & Coils, HDPE Sprinkler Systems, HDPE Perforated Pipes, HDPE Cable Duct Pipes, HDPE Sewerage Pipes, and others. All these products are durable and have been designed and developed as per the Bureau of Indian Standards. We are an organization that offers best of Career opportunity that offers challenges to our recruits and hard work earn them rewards. We value the work done by our employees and their skills and knowledge are rewarded by our organization. We develop our recruit as individual that excels in world in and out of organization.
