About Us

Incorporated in the year 2002, we, Multi Tech Engineers, are a prominent manufacturer, supplier, trader and exporter of a quality range of Bottle Testing Equipment, Digital Cap Torque Tester, Torque Tester, Bottle Top Load Tester, Vacuum Tester and Bottle Cutter. Manufactured by utilizing Mechatronics and advanced process-control systems, all our offered equipment are in strict conformation with the industrial standards & parameters. Our line-up of skilled and experienced professionals possess in-depth knowledge in the field of electronics, instrumentation, mechanical and thermodynamics engineering. Moreover, our packaging experts do standardized packaging of these equipment to ensure their safety during the transportation. Embedded with the features like high functional accuracy, outstanding electrical insulating properties, precise dimensions, robust construction, high strength and reasonable prices, these products are widely acknowledged in the industry. Due to high quality and efficiency, we have attained wide market in Indian Subcontinent and Central America.

Under the expert guidance of our mentor, Mr. Abhijit Kulkarni we have been to stand ahead of our competitors. It is due to his industrial expertise that we have been able to tough the horizon of success.

Located in Mumbai/Maharashtra, Multi Tech Engineers, is an illustrious business organization. Established in 2002, as a manufacturer, trader, exporter and supplier, we are providing a quality range of Quality Testing Equipments, Hot Wire Bottle Cutter, Gas Volume Tester, Vacuum Leak Tester, and much more. With the help of professionals and skilled workforce, this range of products is manufactured according to the international quality parameters. We aim to create maximum value for our customers, so we offer them excellent warranty and return policies. Our advanced quality testing department conducts rigorous quality testing process, to ensure that all products supplied by us are flawless.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	bottle cap torque tester,secure seal tester,top load tester,gas volume tester,
No of Staff	10
Year of Establishment	2002
No of Production Lines	1
OEM Service Provided	Yes
ProductRange	bottle cap torque tester,secure seal tester,top load tester,gas volume tester,

Our Products

Spring Torque Meter

Digital Automatic Torque Tester

Digital Cap Torque Tester

Hot Fill Containers Vacuum Tester

Vacuum Tester

Preform Testing Equipment

Hot Wire Bottle Cutter Machine

Inspection Gauge

PET Bottle Testing Equipment

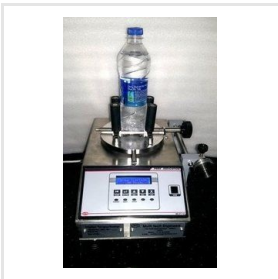

Bottle Torque Tester

Automatic Torque Tester

Bottle Closure Torque Tester

Bottle Cap Torque Tester

Bottle Seal Tester

Hot Wire Jar Cutter Machine

Bottle Cap Torque Tester

ADDRESS

NO.4/54, Jai Hanuman Society,
Paranjpe "B" Scheme No-2,
Hanuman Road, Vile Parle(E),
Mumbai, Maharashtra, India
(400057).
