## About Us

Standing in solidarity with the Indian healthcare providers so that they can give tough fight to Covid-19 pandemic, we are Jay Shree Shyam Surgical Cotton Private Limited. As a respectable manufacturer and wholesaler of many Covid essentials and other healthcare products like Surgical Absorbent, Pulse Oximeter, Surgical Disposable Gloves, Hand Sanitizer, Face Shield & Face Mask, we are striving hard every hour to better respond to alarming demands of such products from all over India. We always remain on our toes so that any form of urgently needed care is never compromised, at any cost.

We, Jay Shree Shyam Surgical Cotton Private Limited, stand with pride at the forefront of healthcare goods manufacturing. Our strong market reputation stems from the fact that we can provide solutions across a range of categories, from Face Masks, Sodium Hypochlorite to Sprayer Bottle and Steam Vaporizer. We manufacture these products at our own plant in Jaipur, Rajasthan, India, also carrying out a range of quality assessment tests on each individual product before storage & packaging. Everything we create is conformed to be of acceptable standards and priced reasonably as per our client-centric product pricing structure.
