

SAM AGENCIES

Manufacturer of A Wide Range of Products including Slit Drain, Saucer Drain, Manhole Cover, RCC Pipes-Reinforced concrete Pipes, Etc.

About Us

With the completion of two decades in the the field, we, **Sam Agencies**, have proved our ability as a **trader** and **supplier**. Our company has been dealing in highly effective **Ayurvedic & Electro Homeopathy Medicines (Human & Veterinary)**. Our array includes **Abbatis-50 10ml Increase Thrombocytopenia Platelets Drop, BSK ELECTRO VET-4 Animal Feed Supplement**, and many more offerings. The range is manufactured using natural constituents, such as herbs and roots. We have become the leader of this industry after people started realizing the great effects of our medicines and other items. Soon after our inception in 2000, we occupied the topmost place of this domain.

Our company controls a huge supply channel which is responsible for its connectivity with buyers across the country. We are serving thousands of clients who are pleased with our solutions and services. They get the assistance of experts each time when contacting our company. Happiness and satisfaction of customers has been our greatest priority, and we work for them with complete dedication day and night. Their orders are never delayed from our end and we give guarantee of timely shipment.

Based in **Gadag, Karnataka (India)**, we, **Sam Agencies**, are trusted for making available the best Ayurvedic & Electro Homeopathy Medicines for human & animals. Our range includes **Child Increase Immunity Drop, Ayurvedic Detox Capsules, ESR Level Ear Drops**, and many more offerings. All these items come in sealed packaging which ensures longer shelf life of medicines and other offerings. The exclusive array we make available is supplied at market leading prices. Our offerings are recommended by experts for various health problems because of which our items are demanded across the country.

Infrastructure

Our company has two branches located in **Bengaluru & Hubli**. We have advanced packaging and storage facilities at our premises. Bulk orders are received by us on a daily basis. We are ready with the products always. There is a spacious warehouse with **2000 MT & 1000 MT Cold Room** for storage of products, such as **BSK ELECTRO VET-4 Animal Feed Supplement, Abbatis-50 10ml Increase Thrombocytopenia Platelets Drop**, etc. An expert team manages the warehouse and supervises storage and dispatch. Availability of an advanced array allows us to fulfill immediate orders which are completed by us instantly.
