

## We Provide

- Brick Making Machine
- Clay Brick Making Machine
- Double Stage Vacuum Extrude
- Hydraulic Jack
- Hydraulic Press
- Pan Clay Mixer
- Sheet Pressing Machine, Etc.

Automatic Brick Making Machine, Automatic Clay Brick Making Machine, Automatic Hydraulic Press, Brick Making Machine, Clay Brick Machine, Concrete Brick Making Machine, Double Rotary Brick Making Machine, Double Rotary Machine With Mixture and Convyre Belt, Etc.

**BRICK MAKING MACHINE**

**CLAY BRICK MACHINE**

**AUTOMATIC CLAY BRICK MAKING MACHINE**

## About Us

We, Kumar Manufacturing Co., are actively involved in the market as a manufacturer and supplier of Hydraulic Power Pack, Fly Ash Concrete Brick Making Machine, Interlock Brick Making Machine, Roller Mixer, Vibrate Table, Pen Mixer, among other equipment, machinery and parts. We work in the market with a noble intention of timely providing the customers with quality approved and high performance range at industry leading prices. The quality of our range is second to none as all our offerings are manufactured using only the quality approved metal alloys and components, while making use of advanced methods of production. Our advanced manufacturing processes ensure the durability, smooth functioning and efficient performance of our range.

We, Kumar Manufacturing Co., are actively involved in the market as a leading provider of high performance construction machinery & equipment. Based in Aligarh (Uttar Pradesh, India), we started our business in 2013 with an intention of providing all our customers hailing from the construction industry with Block Brick Making Machine, Hydraulic Power Pack, Roller Mixer and allied machinery, equipment and parts at industry leading prices. The quality of our products has enabled us to establish a massive customer base all over the country. Backed by our energetic workforce, we are able to constantly bring out new and innovative products. Our superior warehousing facility and distribution system allows us to safely keep and deliver the range of products while adhering to the time frame provided. Further, our ethical work practices, nominal prices and timely deliveries have made us a favorite among our customers.

## Key Facts
