About Us

Established in 1989, Aveready Scale India Ltd. has grown into a trusted Manufacturer, Supplier, and Service Provider of advanced weighing solutions in Jaipur, Rajasthan, India. With decades of industry experience, the company has developed a strong reputation for delivering high-performance weighing systems that meet the evolving needs of industrial and commercial sectors. Our commitment to quality, technological innovation, and customer satisfaction has helped us build long-term relationships with clients across various industries.

At Aveready Scale India Ltd., we specialize in the design, manufacturing, and supply of reliable weighing equipment that ensures precision and efficiency in weight measurement. Our expertise lies in providing robust and technologically advanced products such as Weighbridge Terminals, Pit Type Weighbridges, and Electronic Pitless Concrete Weighbridges. These systems are widely used in logistics hubs, mining operations, manufacturing units, warehouses, and transportation facilities where accurate weight measurement plays a crucial role in operations and compliance.
