

Clamp Meter Suppliers, D3 IU Per Minute Solar Meter, Erythemally Effective (Eeff) UV Index Meter, Eutech CON 700, Fluke Clamp Meter , Fluke 362 Clamp Meter , Fluke 381 Remote Display True-rms AC/DC Clamp Meter with iFlex , Fluke CNX a3000 AC Wireless Current Clamp Module , Fluke CNX i3000 iFlex AC Wireless Current Module , HTC Body Scan Infrared Thermometer, HTC Easylog Digital Temperature Mobile Data Logger, HTC Thermo Hygrometers, Lutron Gasline Tachometers , MED/HR Erythemally Effective (Eeff) UVR Index Meter, Ratchet Wrench, etc.

LUTRON MINI VANE ANEMOMETER

LUTRON ANEMOMETER WITH HUMIDITY METER

KIMO HOTWIRE THERMO ANEMOMETER

About Us

Established in the year 2004, we, Vector Technologies, are a reputed manufacturer, exporter, trader, supplier and wholesaler of a wide assortment of Industrial Instruments, Equipment, Test & Measuring, Assembly Tools and NDT supplies that are used in many industries like Electronics, Electrical, Scientific, Engineering, Mechanical and all kinds of Process Industries. Some of our products include Anemometer, Digital Anemometer, Thermo Anemometer, Vane Digital Anemometer, Amp Meters, Barometers, Solar Meter, Lutron Instruments, Kimo Portables, HTC Instruments, Nile Air Tools, Chart Recorders, Clampmeters, Infrared Thermometers and many more. In addition, we are also a service provider of Instrument Calibration & Instrument Testing Services. Moreover, we also provide a range of Clean Room Application products like HMI, Temperature, Humidity, Hygro, Data logger, Recorders, Large Display Units etc. To match clients expectations, we also provide excellent sales support and technical expertise for all the products supplied by us.

Being a value driven organization, we maintain high standards when it comes to the quality of our company. All the components used in the production are sourced from trusted vendors of the market and are thoroughly tested before being procured from them. Since the formation of our company, we have been able to carve a niche for us as a reputed enterprise in the industry owing to the striking attributes of our products. The offered range is widely appreciated for its high efficiency, accurate results, reliability, precise design, easy usage and long lasting nature.

Key Facts

Nature of Business	Distributor
Primary Competitive Advantages	digital thermo hygrometer,portable hygrometers,hygrometer,whirling hygrometer,pneumatic switches,pneumatic equipment,air nipper,temperature logger,temperature recorder,air velocity meter
No of Staff	3
Year of Establishment	2004
OEM Service Provided	No
Memberships	MSME, CERTIFICATE OF NOMINATION , CENTRAL VIGILANCE COMMISSION
ProductRange	digital thermo hygrometer,portable hygrometers,hygrometer,whirling hygrometer,pneumatic switches,pneumatic equipment,air nipper,temperature logger,temperature recorder,air velocity meter

Our Products

**Vane Anemo/
Barometer / Humidity**

**Lutron Metal Vane Air
Flow CMM CFM AM-**

**Lutron Mini Vane
Anemometer AM**

**Lutron Digital Metal
Vane Anemometer**

Real Time Data Logger

**Lutron LM-8102 5 In 1
Anemometer**

**Lutron Spare Fan & Fan
Set Vane Type**

**Lutron AM-402
Anemometer Adapter**

**Lutron TR-AMT1A4
Anemometer**

**KIMO Air Velocity Air
Flow Transmitter**

**Kimo Air Velocity
Transmitter Kimo**

**Infrared Digital
Thermometer**

Digital Anemometer

**Lutron AM-4210
Anemometer**

**Vane Digital
Anemometer**

**Transmitters Air
Velocity**
