About Us

H. P. Singh Machinery Pvt. Ltd. is a Kolkata-based manufacturer and supplier of world class Hydraulic Press Machine, Crankshaft Grinder Machine, Connecting Rod Boring Machine, Diesel Fuel Pump Test Machine, Pipe Bending Machine and more. Our company began the operations in 1996, and since then we have been doing remarkably well to deliver top quality solutions to our customers in all parts of India, particularly in West Bengal.

Our products are used for a variety of applications in different sectors, such as in automobile, railways, windmills, etc. They are also used in the production of clutch and gears, punch and dies, washers, deep drawing, blanking, moulding and metal forming operations. We manufacture all the products with utmost attention to their functional capability, quality standards, durability, and application suitability. We work with the aim to achieve total customer and therefore, never compromise with our business philosophy of providing the best products and solutions at highly competitive prices.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	crankshaft grinder,under crank shearing machine,surface planers,bandsaw machine,horizontal bandsaw,semi automatic bandsaw machine,vertical lathes,h type power press machine,power press machine,milling machine
No of Staff	10
Year of Establishment	1996
OEM Service Provided	No
ProductRange	crankshaft grinder,under crank shearing machine,surface planers,bandsaw machine,horizontal bandsaw,semi automatic bandsaw machine,vertical lathes,h type power press machine,power press machine,milling machine

Our Products

Steel Natural

Connecting Rod Boring Machine

Diesel Fuel Pump Test Machine

Diesel Fuel Pump Testing Machine

Anchor D Shackle

Eye Nut Forging

Eye Nut Forgings

Forged Eye Bolt

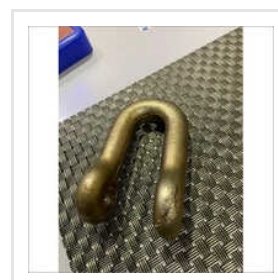

Nut Oval Eye Hot Dip Galvanized

Torsion Assembly Arrangement

Torsion Assembly Eye Hook

U Shape Anchor Shackle

Valve Refacer Machine

Crankshaft Grinder Machine

Vertical Fine Boring Machine

Pump Testing Machine
