About Us

The leading manufacturer, supplier, and exporter of high-end sustainable building materials in India is our company, B. Kay Insulations, founded in 1987. Our product line includes Wood Wool Boards, Acoustic Wood Wool Panels, Fabric Wrapped Acoustic Panels, Interlocking Bricks, Concrete Roof Tiles, and Wood Wool Panel And Tiles. We are dedicated to designing and manufacturing building materials of the highest performance and quality at the best prices. Our products offer exceptional thermal and acoustic properties, outstanding fire safety, aesthetic appeal, and sustainability credentials. In addition, our products are durable, versatile, long-lasting, simple to install, and dimensionally accurate. Due to the high quality of our products, they are widely used as roofing, walling, and ceiling solutions in various settings, including hotels, multiplexes, theatres, schools, airports, and others. As a result, our products offer a comprehensive and no-compromise solution for the construction needs of our customers. The direction of our mentor, Mr. Sanjeev Kapur, has allowed us to meet the needs of our clients successfully. We have crossed the threshold thanks to his hard work ethic and perseverance.

We, B. Kay Insulations (India) got established in the year 1994 and since then have been striving to fulfill the demands of our customers by offering them Structural Wood Wool Board, Acoustic Wood Panel, Wood Wool Panel, Acoustic Wood Wool Panels and more of impressive quality at fair prices. For this reason, we have also been accredited with ISO 9001:2015 certification. Our Faridabad, Haryana, India based business entity sprawls over a large piece of land and is outfitted with modern tools and machines for catering to urgent and bulk orders of our customers on time.
