

The Desired Strength

CAPCID FORTE DS

A balanced & synergistically acting Organic acid with Essential oils.

Feed Acidifiers are added in the feed to lower the pH of the feed, gut & microbial cytoplasm to inhibit the growth of pathogenic intestinal microflora.

Composition :

Blend of organic acids with phyto-molecules with sustained release properties:

Formic Acid, Lactic Acid, Propionic Acid, Citric Acid, Fumaric Acid, Butyrates & Essential Oils.

Benefit objectives :

Stomach :

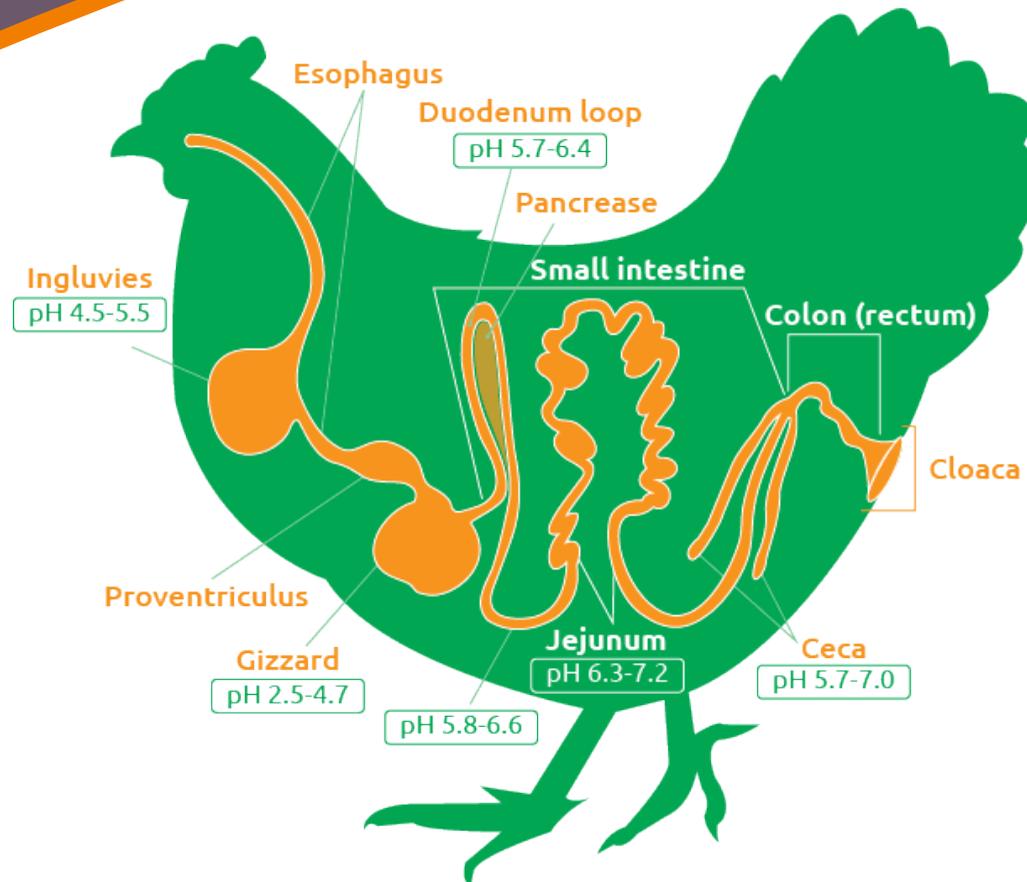

Lowers pH

Activates pepsin

Enhances Protein Digestion

Suppresses multiplication of entero-pathogens in the gut

visit us at: www.vetcoindia.in

Small Intestine :

- Enhances intestinal enzyme activity.
- Enhances Nutrients assimilation.
- Reduces pathogenic growth.

G.I. Tract :

- Acidifies Entire G.I. Tract

Hindgut :

- Removes toxic metabolites & less wet droppings.

Egg :

- Improves egg mass & egg shell quality.
- Minimizes bacterial count.

Dosage :

- Broilers : 500 gm / ton of feed.
- Layers : 500 gm / ton of feed.
- Breeders : 500 gm - 1 kg / ton of feed.

Presentation :

- 30 kg drum (6 x 5 kg pack)
