About Us

Business acumen, technological proficiency and strong focus on innovation, these are the three main factors behind our nationally-recognized product range of Industrial Canteen Kitchen Equipment, Kitchen Equipment and Commercial Kitchen Equipment. Assisted by a client centric approach coupled with persistent quality benchmarks, we, Shree Balaji Enterprises have become one of the most trusted and recognized Manufacturers and Suppliers of Hotel Kitchen Equipment, Commercial Kitchen Equipment, SS Kitchen Equipment, Fast Food Equipment, Commercial Refrigeration Equipment, Industrial Canteen Kitchen Equipment, Restaurant Kitchen Equipment and more. Well acknowledged for their durability, easy installation, simple maintenance, corrosion resistant, elegant designs, long working life, and affordable prices, these well designed equipment are widely used in various hotels, restaurants, confectionery shops, sweets shops, and other food joints.

Why Choose Us?

Being a renowned Service Provider, we also render installation, Repairing, Maintenance, and Polishing Services for these equipment within our clients budgetary constraints. All these services are rendered by a deft team of experts by making prompt and best use of latest machines, tools, and instruments. Moreover, customized facility, simple payment options (cash, DD, cheque, etc), transparency in every business dealing, and timely delivery schedules have enabled us to win the trust of our esteemed clients spread across Maharashtra as well as other domestic markets. Some of the other factors which makes us a preferable choice in the market are:

- Superior range of Kitchen Equipment
- Excellent quality in conformation with international standards
- Continual up-grading of technology
- Able to meet bulk requirements of the clients
- Ethical business practices & on time delivery schedules.
