Recommendations

1. Respond promptly to inquiries via My Trade India panel or Mobile App to increase engagement and conversion.
2. Review and act on buy leads promptly since buy lead views are less than 50% of total buy leads generated.
3. Enable SSL on your domain to enhance security and improve visibility on the platform.
4. Activate G Suite services to improve business communication and increase credibility.
5. Start using Google Ads to boost online presence and attract targeted traffic for your products.
6. Add more relevant keywords aligned with top-performing industry terms such as 'pet bottles' and 'bottle packaging machines' to improve search visibility.
7. Consider investing in Industry Leader packages on high-traffic pages like water bottle making machine and plastic bottle making machine to gain top quality leads.
8. Enhance product listings by improving descriptions, images, specifications and adding pricing information to increase product attractiveness.
9. Target marketing efforts in Uttar Pradesh, Maharashtra and Delhi, which have generated the highest inquiries.
