

FOLIC ACID

10% Borax Decca, Acid Slurry, Amino Acid Powder, Ammonia, Ammonium Chloride, Ammonium Molybdenum Powder, Bentonite Granules, Brassinolide Powder, Caustic Soda, Chelated Micronutrients Powder, Cobalt Sulphate Powder, Copper Carbonate Powder, Copper Sulphate, Copper Sulphate Crystals, Copper Sulphate Powder, etc.

FOLIC ACID

MANGANESE SULPHATE POWDER

HUMIC ACID

About Us

Chemicals act as a base ingredient in many industries for various purposes. Therefore, we Sudha Enterprises, deals in wide range of agro and industrial chemicals like Ammonium Chloride. Our wide expertise, has enabled us in becoming one of the renowned traders and suppliers of the same. Our wide range of products include Copper Chemicals, Industrial Chemicals, General Chemicals, Agricultural Chemicals and many more. We check the credibility of products before procuring it from their original manufacturers, by scanning all the quality processes followed by them. Furthermore, our team of market analysts, select these manufacturers solely on the basis of their ability to complete bulk orders within set time frame. Also, we take a note of all the past clients served by them to get a distinct market standing of their business.

Sudha Enterprises has expertise and experience in the field of agro and industrial chemicals. This has made is a noteworthy trader & supplier of caustic soda lye, general chemicals, industrial chemicals, agricultural chemicals and others. These are acquired in a safe and secure manner, after which they are stored in our multiple warehouses. As we deal in hazardous products, we employ strict, precise and reliable safety measures. Caustic Soda Lye and allied products are very effective and are delivered in sturdy packaging. Bulk packing is done as per orders.

Key Facts

Nature of Business	Wholesaler
Primary Competitive Advantages	amino fertilizer,seaweed extract powder,fulvic acid,humic acid,zinc sulphate,copper sulphate,potassium humate,
No of Staff	5
Year of Establishment	2009
OEM Service Provided	No
ProductRange	amino fertilizer,seaweed extract powder,fulvic acid,humic acid,zinc sulphate,copper sulphate,potassium humate,

Our Products

Copper Carbonate Powder

Copper Sulphate Powder

Chelated Micronutrients Powder

Humic Acid Granules

Ammonium Molybdenum Powder

Copper Sulphate

Sodium Silicate (Liquid)

Magnesium Sulphate Powder

Cobalt Sulphate Powder

Copper Sulphate Crystals

Dextrin Powder

Oil Emulsifier

Nitrobenzene Emulsifier

Ferrous Sulphate

Potassium Hydroxide Flakes

Zinc Sulphate Powder
