About Us

Our company, Kejriwal Machineries Private Limited, is known in the market as one of the leading manufacturers, suppliers, and exporters of bag making machines in India. Our offered range of machines includes a Side Seal Servo Machine, Bottom Sealing Servo Machine, Courier Bag Making Machine, Paper Mailer Bag Machine, Double Decker Bottom Sealing Cutting Machine, BSSS Servo Combo Machine, and more. The main aim of our company is to offer perfection with simplicity, and for this reason, we make sure that every product we deliver is of high quality, durable, and efficient.

Our products are made from premium-quality raw materials that are procured from trusted vendors in the industry. These vendors are chosen based on various parameters, thus making sure that the procured raw material is of top quality. We believe in providing better quality bags with simplicity as their main characteristic. At our company, we believe that innovation is the key to the growth of any organization; thus, our expert professionals keep looking for ways in which we can innovate and improve our products to meet the current requirements of the customers. Our main aim is to provide quality products that are designed in our company according to the requirements of our customers.
