

**TERTIARY CLARIFIER SYSTEM
AND EFFLUENT TREATMENT PLANTS**

Serving Happiness In The Form Of Well-Made Products

Biological Effluent Treatment Plant, Drinking Water RO Plant, Effluent Treatment Plants, Effluent Water Treatment Plant, Engineering Consultancy Services, Falling Film Evaporators, Film Forced Circulation Evaporators, Fish Feed Cooler, Fish Meal Plant Machinery, Fluid Industry Turnkey Projects, Forced Circulation Evaporators, Heat Recovery Evaporators, High Pressure Cleaning Pumps, Incinerator System, Industrial Reverse Osmosis Plant, etc.

About Us

Initiative Engineering is a trustworthy Manufacturer, Exporter, Trader & Supplier, indulged in offering precision designed and engineered Water & Waste Water Treatment Plants, Multiple Effect Evaporator For Zero Discharge Systems and Incinerator to a large number of clients, since its incorporation. Our comprehensive range of water & waste water treatment plants encompasses STP (Sewage Treatment Plant), ETP (Effluent Treatment Plant), UF(Ultra Filtration) and RO (Reverse osmosis) in line to meet clients demand. All the products are fabricated using high grade raw material obtained from certified industry manufacturer/vendors. Moreover, we are also a service provider of Pharmaceuticals Industry Turnkey Projects, Engineering Consultancy Service, and Plant Recondition Services.

Incepted in the year 1995, A.P. Engineers is a prominent organization, working as a manufacturer, exporter, trader and supplier of a wide range of precisely engineered Multiple Effect Evaporator For Zero Discharge Systems, Water & Waste Water Treatment Plants and Incinerator. In addition, we are also a service provider of Pharmaceuticals Industry Turnkey Projects, Engineering Consultancy Service, and Plant Recondition Services. We have technical acumen and are well equipped with all latest manufacturing machinery in our integrated manufacturing plant to meet clients demand and quality standards. We work with the main focus on improving the quality of life of people and contribute a little in the healthy environment. Being a quality-conscious organization, we follow stringent quality control measures to ensure that products match the international quality standards.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	FISH MEAL PROCESSING PLANT,biofilter,evaporator
No of Staff	50
Year of Establishment	1995
OEM Service Provided	No
ProductRange	FISH MEAL PROCESSING PLANT,biofilter,evaporator

Our Products

Ultra Filtration System

Forced Circulation Evaporators

Incinerator System

Plant Recondition Services

Effluent Water Treatment Plant

Effluent Treatment Plants

Tertiary Clarifier System

Biological Effluent Treatment Plant

Industrial Reverse Osmosis Plant

Drinking Water RO Plant

Film Forced Circulation Evaporators

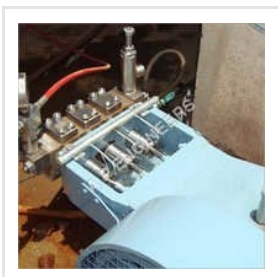

Falling Film Evaporators

Heat Recovery Evaporators

Vacuum Crystallizers

High Pressure Cleaning Pumps

Multiple Effect Evaporators
