About Us

Since 1963, Paul Plastic & Brass House has built a legacy of excellence as a trusted manufacturer and supplier based in Delhi, India. With decades of industry experience, we offer a wide variety of precision-crafted products including Sculptures, Aluminium Power Plates, Brass Stand, Golden Barricad Stand and Barricade Stand With Strip In Steel. Each product reflects our commitment to high-quality materials and reliable craftsmanship. Over the years, we have honed our skills in producing both decorative and functional items that serve diverse sectors, from events and exhibitions to government institutions and corporate environments. Our in-house manufacturing ensures a consistent standard of quality, backed by a team that prioritizes detail, strength, and aesthetic appeal in every product we deliver.

We value long-term relationships with clients built on trust, timely delivery, and responsive service. Our deep-rooted presence in the industry reflects our reliability, while our flexible manufacturing approach allows us to accommodate both bulk and customized orders. Our clients include event organizers, public institutions, private companies, and more. We aim to continue our journey of excellence by expanding our reach and enhancing our product range to meet the growing demands of various industries. Our goal is to maintain the standards that have defined us since 1963 while embracing new technologies and design methods that keep us at the forefront of our field.
