## About Us

At M & T Industries, we take pride in being one of the leading manufacturers and suppliers of high-quality food processing equipment in India. With years of experience, deep industry knowledge, and a relentless commitment to excellence, we have established ourselves as a trusted name in the domain of food machinery manufacturing. Our wide range of advanced and durable equipment is crafted to meet the evolving needs of both commercial and domestic food production operations. We offer Domestic Flour Mill Machine, Double Stage Cyclone Type Pulveriser Machine, Single Chamber Pulveriser, Semi Automatic Pulveriser, Blower Type Masala Pulveriser, and more.

We specialize in designing and manufacturing an extensive range of food processing machinery, including flour mills, masala grinders, oil extraction machines, pulverizers, and more. Whether its a large industrial setup or a small home-based kitchen, our solutions are tailored to ensure maximum efficiency, reliability, and consistent performance.
