About Us

Hi Tech Agro is an Indian business started in the year 2011. We are market leaders in and around Maharashtra. Our mission is to enhance farm productivity and quality thereby raising the farmer's income. We are a reliable Supplier, Trader, and Service Provider offering Garden Shade Net, Green Shade Nets, Agriculture Plastic Shed Net, Fencing Net, Sponge Gourd Net, and Greenhouse Construction Services.

We offer a broad array of products and services based on the farmer's requirement and demand. We are distributors of products well known in National as well as International markets. We are based on trust and high quality with high performing products with good after sales support. In the brief period of 13 years we have earned confidence of over 5000 Indian customers. We are one of the few empanelled members for the schemes by central government like National Horticulture Mission and National Horticulture Board.
