# Welcome to

# VNM HYDROTEK

VNM Hydrotek was Established in 2006 in Mumbai, We are specialized in the field of HYDRAULICS.

Our focus is to Serve the Industries and Mobile & Agriculture Equipment companies with High Quality and Sophisticated Hydraulic products, which Includes **Hydraulic Pumps, Valves, Motors, Filters, Hoses and Fittings**. We are **Authorised Dealers/ Distributors** for some of the Renowned Brands with Internationally Top positioning for their products

Spearheaded by **Mr. Chetan Mehta** - Bechlour of Engineer with 15 years of Experience in Hydraulics, we constantly thrive to Expertise in the field and to serve our customer with best possible products and services available.

Recently we have started branch office at Navi Mumbai and where we have a Hose Assembly unit. Gates Hose with Gates Fittings crimped using Uniflex crimping Machine, gives best in class hose assemblies.
