

PERMA PAVER PLAST

SUPERIOR CLEAR ADMIXTURE BASED ON COMPLEX POLYMER

SPECIFICATION

ASTM C494 : Type A, B & D

DESCRIPTION

Perma Paver Plast is a superior quality admixture specially developed for application in pre-cast concrete, high performance concrete and for manufacturing of cement tiles, paver blocks etc..

PRIMARY USE

1. To increase workability in concrete used in casting pre-cast units, cement tiles, paver blocks and for uses in white cement mixes.
2. To increase compressive strength.
3. To allow for reduction in water.
4. Due to increased strength development characteristics the elimination or reduction of steam curing in pre-cast work.

ADVANTAGES

1. It is a clear liquid hence does not change colour in concrete.
2. It is strongly recommended for tile industries and pre-cast units.

3. Easy to dose.
4. Lowers permeability.
5. Increases durability.
6. Reduces shrinkage cracks.

DIRECTION FOR USE

Perma Paver Plast should be added to concrete / mortar during the mixing cycle at the same time as water is added. Avoid adding to dry cement.

DOSAGE

Field trials should be conducted to determine the exact dosage. However a dosage range varying between 150 ml to 500 ml per 50 kg bag of cement can be recommended.

PROPERTIES

Form	: Clear liquid
Specific Gravity	: 1.20@25°C
PH	: 8
Air Entrainment	: NIL
Chloride Content	: NIL
Nitrates	: NIL

PACKING

Perma Paver Plast is available in 30 kgs & 120 kgs. packs.

QUALITY ASSURANCE

All "PERMA" branded products are manufactured under strict quality control supervision as per exact manufacturing specifications. Should you find the behaviour of the product varying from the claims in the data sheets please stop the use of the product and contact the nearest Perma staff or distributor.

STATEMENT OF RESPONSIBILITY

Perma branded Products when used in accordance with the current published directions for use, performs as per its data sheets/catalogue. The manufacturer and the distributor will not be responsible for other materials and conditions of inferior workmanship.
