About Us

Our company, P S Chemicals, has a wealth of experience spanning over thirty years. Our plant is cutting-edge and completely integrated. We are known in the market as a leading trader, supplier, and importer of various chemicals. Our product range includes Barium Sulphate, Calcium Filler Masterbatches, Foaming Agent, Baryte Powder, Wall Putty Powder, and more. Our superior technical customer service and problem-solving skills are on par with our outstanding product quality. The products are specifically created using internal R&D following extensive research to create new and improved products.

Since 1992, our company, P S Chemicals, has been conducting its business operations out of the capital city of India, New Delhi. We are known to trade, supply, and import products including De-Moist Anti Moisture Desiccant Powder, GCC Calcium Carbonate Powder, PVC Impact Modifier, Delta Moist Removal Agent, Foam Cell PVC Processing Aid, and more. With our years of experience, we have established a formidable position in the market.
