## About Us

A company long period of existence can always be advantageous for them to get ahead in the market and from the year **1983**, we, **Dip Industries** have led our company to great heights in the market. Over the years, as a **manufacturer** and **supplier**, we have been serving many customers with our hefty range of **Barrels which includes Single Screw Barrel, Molding Barrel, Injection Screw Barrel, High-Quality Twin-Screw Barrel**, etc. The manufacturing of all the products are carried out under highest industrial standards and ensured to be of the best quality. The uniqueness in the product range combined with their top-notch quality are the reason why we have been moving forward in our path of success.

## Our Team

The sole contributor in a company business growth, is its strong set of teams and in our company, we are backed by the most experienced and highly trained team of professionals. They work with their full potential to increase the productivity of the company, and for that, they are well-equipped with the most technologically advanced machines and equipment. With the help of which we are able to fulfill the high demands of the customers, on-time.

## Our Quality

In a manufacturing company, maintaining quality of their products/services is an important task. It helps them in gaining the trust of the customers towards their company. Similarly, at, Dip Industries, our primary goal is to serve our customers with the most premium quality of products like **Single Screw Barrel, Molding Barrel, Injection Screw Barrel, High-Quality Twin-Screw Barrel**, etc. In order to maintain their top quality, we ensure that every product is passed through rigorous tests and then only delivered our valuable clients.

## Why Us?

Almost every company aspires to lead their business in the market but in order to achieve this the company should have a uniqueness in their business ideas, which our company primarily focuses on. We have formed a set of well-defined business plans according to which we entertain our clients. Following are some major elements of our business ideas:

- We ensure that only the best quality of products are delivered to the clients.
- We have an excellent transport & logistic facility enabling us to deliver the products securely and timely.
- We have a large distribution network which is spread widely across the country.
- We provide the most reasonable prices of the products
