## About Us

Established in 2004, Gasvigil Technologies Pvt. Ltd. is a profound manufacturer, exporter and supplier of Gas Detector, Gas Leak Detection Systems, Portable Gas Monitor, Portable Gas Leak Detection Systems, and offers an assorted range of superior quality products that include Domestic Gas Detector, LPG Detector / Sensor, Portable Gas Detector, Gas Safety Equipment and more. With our vision to make the world a safer place to live, we are engaged in making products with strong and most reliable design that is highly efficient in detecting toxic and combustible gases hence preventing a gas disaster. We are an ISO 9001:2008 certified company, which is acknowledged globally for the highest level of quality management systems' standards. Keeping in mind the sensitivity of the purpose our products are manufactured with most advanced technology.

Our dedication towards the clients drives us to perform better and this aspect has earned us a good reputation in the industry. Our Gas Leak Detection Systems are used for industrial as well as domestic purposes. Some of the areas we serve are heat treatment plants, gas manifolds / bullets, gas storage areas in hotels & cafeterias, household kitchens, etc. With our efficient services, we have got hold of a brag-worthy client base. And some of our eminent clients include Mercedes Benz, Toyota, TVS Motor Co., ITC, BMW, Infosys, Microsoft, Google, Cadbury, Taj Hotels and others.

## Quality Assurance

An ISO 9001:2008 certified, Gasvigil Technologies Pvt. Ltd., has emerged as an eminent Manufacturer of Gas Leak Detection Systems in the last decade. Our rich experience in this domain enables us to manufacture and supply a considerable range of products that include Gas Leak Detector, Gas Monitoring System, Continuous Gas Detection Systems, LPG Leak Detector, Industrial Gas Detection System, Gas Detector and many other. We continue to rule the business even after 10 years of our inception because we have adopted a laudable quality management system that separates us from our competitors in the industry. All our products are CE marked, which ensures that the products be easily accessed and sold in the European Economic Area.

# Our Products

**GV 108 Gas Detector**

**Industrial Gas Leak Detection System**

**Analog Gas Leak Detector**

**Caravan Gas Detector**

**Natural Gas Detector**

**Gas Detector**

**Domestic Gas Detector**

**Hand Held Gas Detector**

**Household Gas Detector**

**LPG Gas Detector**

**Portable CNG Gas Detector**

**Portable Industrial Gas Detector**
