About Us

Aysha Engineering Works is a prime Manufacturer, Supplier and Trader of a high-tech range of Seed Cleaning Machine, Aspiration System, Bucket Elevator, Sortex Plant Machinery, Pulse Mill Machinery, etc. Aysha Engineering Works is a pioneer in the field of advanced engineering solutions and high-quality machinery. Renowned for manufacturing precision-engineered products, we specialize in a wide range of machinery. Our machines are fully automatic and designed to meet diverse client needs with ease and efficiency.

Aysha Engineering Works is a prominent manufacturer, supplier, and trader of cutting-edge agricultural and grain processing machinery. Committed to quality and innovation, we provide a comprehensive range of high-performance equipment, including Seed Cleaning Machines, Aspiration Systems, Bucket Elevators, Sortex Plant Machinery, Pulse Mill Machinery, etc. With extensive industry experience and a highly skilled team, we specialize in delivering reliable, efficient, and fully automated solutions tailored to meet the unique requirements of our clients. Our machinery is recognized for its precision, durability, and energy efficiency perfectly suited for modern agricultural operations. These are developed from high quality spares and material in tandem with the national norms. Our separators are toughly built, durable and have high resistive against wear & tear due to which these are well demanded by the customers. Furthermore, we are having monopoly in the domain due to good financial position, on time delivery of orders and honesty in deals.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	besan plant,atta chakki plant,sortex plant,dal mill plant,cattle feed plant,seed cleaning plant,
No of Staff	40
Year of Establishment	2012
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As per Requirement
ProductRange	besan plant,atta chakki plant,sortex plant,dal mill plant,cattle feed plant,seed cleaning plant,

Our Products

Classifier Separator

Vibro Classifier MTRA Separator

Air Lock

Magnetic DE-Stoner

Aspiration Box

Aspiration Channel

Cyclone Separator

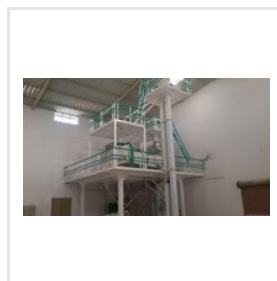

John Flour Pre-Cleaner

Rill Machine

Screw Feeder

Cumin Seed Cleaning Plant

Bucket Elevator

Z-Type Bucket Elevator

C-Type Bucket Elevator

Blower Fan

Horizontal Cyclone
