ASSEMBLY**

About Us

Ram Tech is a leading manufacturer and supplier of high-quality industrial processing equipment, specializing in Steam Jacketed Vessels, Stainless Steel Mixing Tanks, SS Shell and Tube Heat Exchangers, Limpet Coil Reactors, etc. With a strong focus on innovation, durability, and efficiency, we cater to industries such as pharmaceutical, chemical, food, and dairy. Our products are designed for optimal performance, ensuring high strength, corrosion resistance, and temperature stability. Backed by cutting-edge infrastructure and a team of skilled professionals, Ram Tech is committed to delivering customized solutions, superior quality, and exceptional customer service to industries across India and beyond.

Ram Tech, based in Chennai, Tamil Nadu, India, is a renowned manufacturer and supplier of high-quality industrial processing equipment, such as Truck and Lorry Loaders Conveyor, Fume Extraction System, MS Centrifugal Blower, Stainless Steel Storage Tank, etc. With a commitment to innovation and excellence, we serve industries such as pharmaceutical, chemical, food, and dairy, offering durable, efficient, and corrosion-resistant solutions. Our state-of-the-art manufacturing facility, combined with a skilled workforce, enables us to deliver customized, high-performance products that meet global standards.

Key Facts

No of Staff	55
Year of Establishment	2005
No of Production Lines	1
OEM Service Provided	No

Our Products

Customised Shell And Tube Heat Exchanger

Stainless Steel Heat Exchangers

Shell And Tube Heat Exchanger

Industrial Heat Exchanger

Industrial Stainless Steel Heat Exchangers

SS Pressure Vessel

Stainless Steel Pressure Vessel

Horizontal Pressure Vessel

Stainless Steel Liquid Mixing Tank

Project Based Shell And Tube Heat Exchanger

SS Shell And Tube Heat Exchanger

Carbon Steel Heat Exchangers

Floating Head Heat Exchangers

Tube Heat Exchangers

Mild Steel Heat Exchangers

Stainless Steel Reaction Vessel
