About Us

Engaged in the business of offering RoHS complaint electrical resistors for keeping the hazardous elements at bay while using electric as well as electronic equipment, we, Enapros, are a famed Manufacturer, Exporter and Supplier. Our offered product range includes Silicone Coated Resistor, Silicon Coated Power Resistors, Ceramic Encased Wire Wound Resistors, High Power Slim-type Aluminium Housed Resistor, Coiled Wire Resistors and more. Being a quality conscious organization, we manufacture our product range like Silicone Coated Resistor, Silicon Coated Power Resistors, etc using the finest quality raw material, that are sourced from the trusted...

A renowned Manufacturer, Supplier and Exporter, we were established in the year 1983 and have been offering Aluminium Housed Resistor, Aluminum Housed Braking Resistor, Aluminium Housed Metal Clad Braking Resistors, Silicon Coated Wirewound Resistors and other such products since. These products are manufactured using the best quality raw material and hence are RoHS complaint & show excellent qualities like ergonomic designs, durability, low energy consumption etc. Due to such unmatched qualities, they are highly used for various purposes in varied industries, such as, electronics, cranes, automation, elevators medical equipment, electronic panels, variable frequency drives etc. Apart from our quality assured products it is our industry leading prices, swift delivery of products like Aluminium Housed Resistor, Aluminum Housed Braking Resistor, etc and extensive domain knowledge that separate us from our competitors in the industry.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	resistor,aluminium housed resistor,dynamic braking resistors
No of Staff	15
Year of Establishment	1983
OEM Service Provided	No
ProductRange	resistor,aluminium housed resistor,dynamic braking resistors

Our Products

EMCH Type Resistors

EMCV Type Resistor

EWGR Type Resistor

Aluminium Housed Resistor

Punch Grid Resistors

Aluminium Housed Power Resistor

High Power Wire Grid Resistors

Power Resistors

Coiled Wire Resistor

Edge Wound Resistors

High Power Coiled Wire Resistors

Housed Resistor

Aluminium Housed Chasis Resistor

Aluminium House Resistor

Slim Type Aluminium Housed Resistors

High Power Aluminium Housed Resistor
