About Us

Being a pioneer manufacturer and supplier in the industrial storage solutions is something we at Divakaran take great pleasure in. Since our founding in 1977 and more than 45 years of unrelenting innovation and perfection, we have established the standard for effectiveness, dependability, and quality. Our advanced automation and state-of-the-art production techniques allow us to provide market-leading storage solutions that are tailored to the changing demands of companies worldwide. We guarantee accuracy, robustness, and unparalleled performance in every product we design, from inception to completion.

We send our goods such as Industrial Pallet Racking System, Industrial Slotted Angle Racking System, Industrial Heavy Duty Racking System, Ease of Access Mobile Compactor System, Mobile Racking System, etc. to Bahrain, Sri Lanka, Canada, and now the Middle East.
