About Us

Working with utmost sincerity and excelling at its business role, Ruby Electrical Corporation, is a company which serves its customers a wide range of sheet metal products and electrical accessories of quality untouched by any other company. It has been the forte of our company to serve and satisfy customers with their purchase. We never fail to deliver and suffice the demands of the customers. As a Manufacturer and Exporter we made this pact that indeed quality is something which should never be compromised for serving quantity. Owing to the aforesaid promise, we develop Cable Clamp, Stainless Steel Cable Clamp, Geyser Hanging Clamp, Cable Saddle, Cable Bar Saddle and a lot more, with complete precision. Our products are manually checked as well as subjected to third party testing.

We are backed by the most diligent employees, who understand the value of achieving goals, and work with their best skills. Individual development is what has led our company towards prosperity, and we ensure that each employee continuously improves and becomes better than before so that they can be more productive and helpful for us.
