

Industrial Chemicals,
Powder Chemicals,
Solvent Chemicals, Minerals,
Pharmaceutical Raw Materials,
Petrochemicals, etc.

1 4-Butanediol, 1- 2 Benzisothiazoline-3-One and Sodium Hydroxide Solution, 1-4 Dioxane, 2-Ethoxynepthalene Chemical, 4-Amino Butyric Acid, 4000 Poly Ethylene, 4000 Poly Ethylene Glycol, 6-8 SECONDARY BUTYL QUINOLINE COA, 6-Chloro 2-Hexanone Chemical, 80% Thioglycolic Acid, 9.5 Emulsifier Chemical, 9.5 Mole Emulsifier, 99% Phosphorous Acid, 99.7% Dicyandiamide Chemical, 99.9 Tertiary Butanol, etc.

MONO ETHYLENE GLYCOL

FORMIC ACID

ACETONITRILE -

About Us

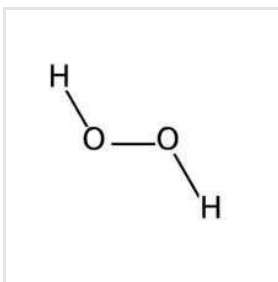

Scientists have been experimenting a lot for the effective formulation of various chemicals to add to the world of innovation and render service to mankind with the latest innovations. Dedicated to serve people and meet various industrial requirements, Meru Chem Pvt. Ltd. has emerged as a top notch company in the chemical industry.

Incorporated in the year 1996, we have successfully attained market credibility in a span of 13 years. We are reckoned as a proficient manufacturer agent, exporter, supplier, stockist, agent, indenter, and dealer of Industrial Chemicals, Powder Chemicals, Solvent Chemicals, Minerals, Pharmaceutical Raw Materials, Petrochemicals, etc. These are extensively used in pharma, food, sugar, textile industries & laboratories, and are known for their quality, accurate composition, reliability and eco- friendliness. Our wide distribution network and logistics support provides us the leeway in catering to the demand of our esteemed clients in a befitting manner. Empowered by a team of adept professionals as well as technologically advanced manufacturing process, we efficiently formulate and deliver voluminous products within the stipulated time-frame.

Key Facts

Nature of Business	Importer
Primary Competitive Advantages	methyl tertiary butyl ether,para chloro meta xyleneol
No of Staff	10
Year of Establishment	1996
OEM Service Provided	No
ProductRange	methyl tertiary butyl ether,para chloro meta xyleneol

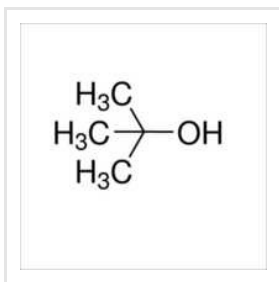

Our Products

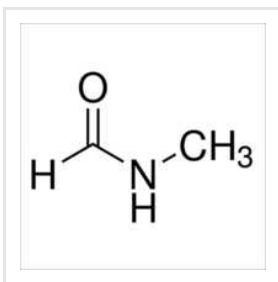

Hydrogen Peroxide

Tertiary Butanol

99.9 Tertiary Butanol

Methyl Formamide

Bleaching Powder

MINTROLEUM DK 30-60

Glacial Acetic Acid

CYCLOHEXANE Hexanaphthene

TOLUENE (Toluol)

LIGHT LIQUID PARAFFIN

Anionic Polyelectrolyte Powder

Ethyl Acetate

Mercury (Metal) Pure

Ammonium Phosphate

Calcium Hypochlorite Ca(ClO)₂ Cas No-7778-

Cocamidopropyl Betaine

ADDRESS

B - 401, Pranav Commercial Plaza , M.G. Road, Mulund West, Above Shiv Sena Office, Mumbai, Maharashtra, India (400080).
