

CERTIFICATE OF ANALYSIS

PRODUCT INFORMATION			
Product Name	Ethyltriphenylphosphonium Iodide		
CAS Number	4736-60-1	Batch Number	ETPI/01/24
Quantity	300 Kg	Manufacture Date	2 nd April 2023
Country of Origin	INDIA	Retest Date	1 st April 2025

PRODUCT ANALYSIS			
TEST	SPECIFICATION	RESULT	METHOD
Physical/Chemical			
Physical Appearance	White to off-white crystalline powder	White crystalline powder	Visual
Solubility	Soluble methanol. Insoluble in Benzene	Complies	USP<1236>
Melting Range	164°C to 170°C	168°C - 170°C	USP<781>
Water Content	Not more than 0.5 %	0.11 %	USP<731>
Assay (by Titration)	Not Less Than 99.0 % on anhydrous basis.	99.7 %	Titration
Remark: Product Complies as per above specification.			
Storage: Keep material sealed and store in a cool, dry place, away from sunlight and moisture.
