Discover Excellence in categories

- **Starch Derivative:**

- Elevate textures and performance with our distinguished Starch Derivatives. Crafted for culinary precision and industrial efficiency, discover the distinction that sets our starch offerings apart.

- **Protein Derivative:**

- Experience nutritional excellence with our Protein Derivatives. From sports nutrition to culinary masterpieces, our protein offerings embody quality and versatility, ensuring your creations stand out.

- **Lecithin Derivative:**

- Unleash the power of emulsification with our Lecithin Derivatives. Elevate your formulations with the precision and reliability that define STDM Foods, setting a new standard in culinary and industrial applications.

- **Saccharides Derivative:**

- A sugar-based ingredient known for its hydrating and soothing properties. Ideal for enhancing moisture retention and improving skin texture in cosmetic formulations.

Starch Derivative

1. Tapioca Starch
2. Sweet Potato Starch
3. Waxy Potato Starch
4. Pregel Potato Starch
5. Modified Potato Starch
6. Native Potato Starch
7. Starch Sodium Octenyl Succinate E1450
8. Hydroxy Propyl Distarch Phosphate E1442

9. High Amylose Starch
10. Alkaline Starch E1402
11. Acid Treated Starch E1401
12. Acetylated Starch E1420
13. Enzyme Treated Starch E1405
14. Monostarch Phosphate E1410
15. Distarch Phosphate E1412
16. Hydroxy Propyl Starch E1440

Starch Derivative

17. Wheat Starch

18. Pea Starch

19. Rice Starch

20. Resistant Starch

21. Potato Flakes

22. Acetylated Distarch Adipate E1422

23. Acetylated Distarch Phosphate E1414

24. Phosphated Distarch Phosphate E1413

25. Potato Fiber

26. Wheat Fiber

27. Rice Fiber

28. Pea Dextrin

29. Rice Dextrin

30. Potato Dextrin

31. Wheat Dextrin

Protein Derivative

1. Soya Protein Isolate
2. Pea Protein Isolate
3. Brown Rice Protein Isolate
4. Peanut Protein Isolate
5. Potato Protein Isolate
6. Hemp Seed Protein Isolate
7. Chickpea Protein Isolate

8. Mung Protein Isolate
9. Spirulina Protein Isolate
10. Quinoa Protein Isolate
11. Lentils Protein Isolate
12. Wheat Protein Isolate
13. Oats Protein Isolate
14. Pumpkin Seed Protein

Protein Derivative

- 15 . Soya Fiber
16. Soya Flour
17. Peanut Flour
18. Hemp Seed Flour
19. Soya Isoflavones 40

Saccharides Derivative

1. Galacto Oligosaccharides
2. Fructo Oligosaccharides
3. Isomalto Oligosaccharides
4. Xylo Oligosaccharides

Lecithin Derivative

1. Hydrogenated Sunflower Lecithin
2. Sunflower Lecithin
3. Hydrogenated Soya Lecithin
4. Soya Lecithin
5. Sunflower Phosphatidylcholine

6. Soya Phosphatidylcholine
7. Sunflower Phosphatidylserine
8. Soya Phosphatidylserine
9. Rapeseed Lecithin
10. Egg Lecithin

About us

Mission

To offer plant based quality products for healthy and nutritious lifestyle and strengthen our company network across the globe

Vision

Dedicated to serve quality products and committed towards continuous improvement to become a one stop solution for Starches, Proteins, Saccharides and Lecithins.

STDM Foods And Beverages is a trusted name in India's plant-based derivatives industry, specializing in proteins, starches, saccharides, and lecithin. We serve a wide range of sectors including food, pharma, nutraceuticals, cosmetics, animal feed, paper, and bioplastics. Backed by expert teams in R&D, marketing, and production, we are committed to quality, innovation, and customer satisfaction. With a strong focus on sustainability and performance, we deliver tailored solutions to meet evolving industry needs.
