KHOYA MAKING MACHINE

About Us

Setting high standards in the field of engineering lathe and other machines as well as catering number of industries across the globe, Akshar Machine Tools is a name to reckon with. We entered this competitive business domain in the year 1991 with a sole objective to ensure the highest level of customer satisfaction and acquire vast market share. Known to be one of the leading manufacturers, wholesalers, distributors, exporters and suppliers, we are focused towards updating all our processes and methods so as to keep pace with changing market demands. The product range offered by us comprises precision engineered Lathe Machine, Heavy Duty Lathe Machine, Medium Duty Lathe Machine, All Geared Head Lathe Machine, Food Processing Machine, Workshop Machine, and more. These are widely popular for their stupendous performance, robust construction, efficiency, longer service life, resistance to corrosion, and other quality features.

Quality is the focal point of our organization, and we undertake ever possible step to provide our customers with a flawless range of machines. Enriched with over a decade of experience and market knowledge, we are capable of fulfilling every single requirement of our clients with utmost proficiency. We are continuously emphasizing on upgrading our facilities as well as match up the most superior quality standards, which set us apart from other manufacturers, exporters and suppliers. Our qualitative range of Heavy Duty Lathe Machine, Medium Duty Lathe Machine, All Geared Head Lathe Machine, Food Processing Machine, Workshop Machine, etc. is fabricated from only finest grade raw material/components.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	gulab jamun making machine,rasgulla making machine,namkeen fryer machine,namkeen making machines,Barfi cutting Machine,heavy duty lathe machine,heavy duty lathe machines,light duty lathe machine,gear head lathe machine,medium duty lathe machine
No of Staff	15
Year of Establishment	1991
OEM Service Provided	No
ProductRange	gulab jamun making machine,rasgulla making machine,namkeen fryer machine,namkeen making machines,Barfi cutting Machine,heavy duty lathe machine,heavy duty lathe machines,light duty lathe machine,gear head lathe machine,medium duty lathe machine

Our Products

Light Duty Lathe Machine

Multipurpose Rounder Machine

Automatic Penda Making Machine

Heavy Duty Lathe Machine

Roasting Machine

Automatic Gulab Jamun Making Machine

Cham Cham Making Machine

30" 6BS MAWA MACHINE

Chikki Making Machine

Halwa Machine

Rasgulla Making Machine

Automatic Rasgulla Making Machine

Beshan Laddu Making Machine

Sweets Making Machinery

Laddu Making Machine

Kaju Musti Machine
