

PRESSURE BOOSTING UNIT

Exporter , Manufacturer , Supplier

Best Quality Products

Booster Pumps 1440 RPM, Borewell Submersible Pump Set, CL Sewage Pumps, Centrifugal Regenerative Pumps, Horizontal Multistage Centrifugal Pump, Horizontal Multistage Centrifugal Pumps, Horizontal Openwell Submersible Pumpset, Magic Suction Pumps 2880 RPM, Mud Pump, Mud Pumps, Oswal SS Submersible Pumps, Oswal Shallow Well Pumps, Oswal Squirrel Cage Induction Motor, Oswal Submersible Pumps, Pressure Boosting Unit, etc.

MUD PUMPS

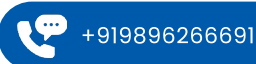

OSWAL SHALLOW WELL PUMPS

STAINLESS STEEL V4 BOREWELL SUBMERSIBLE PUMPS 100 MM

OSWAL PUMPS LTD.

About Us

Having launched into a humble start, as a small concern, we, Oswal Pumps Ltd., have striven hard to come out a premier organization with global reputation. We have embarked upon a remarkable journey of fabricating electrical Motors in 1975, and culminated to manufacturing a comprehensive array of pumps in the year 2000. Today, we have founded a privileged position in domestic and overseas markets as one of the distinguished Manufacturers, Exporters and Suppliers of a considerable range of CI & SS Submersible Pumps, Solar Submersible Pump, Borewell Submersible Pump, Mono Block Pumps, Sewage Pumps, High Pressure Pumps, Solar Pumps, Electric Panels, Booster Pumps, Openwell Pumps, 3 Core Flat Cables, Submersible Winding Wires, Electric Motors Covers Domestic, Agriculture and Industrial Range. As an export driven company, we have been conferred on the premium membership of Export Engineering Promotion Council (EEPC). With aspiration for not only igniting innovation in product and technology but also lending remarkable contribution to the growth of the pump industry. Our engineering expertise and advanced Wherewithal (basically used for money/banking purpose) set the stage for us to develop, fabricate, retrofit and custom-make a wide assortment of pumps encompassing Borewell Submersible Pumps Sets, Electric Submersible Pumps, Deepwell Submersible Pumps, Centrifugal Mono Block Pumps, Squirrel cage Induction Motor Single Phase & Three Phase, Submersible Winding Wires & Cables, which are held in great appreciation & accreditation home and abroad.

We, Oswal Pumps Ltd. have categorized the manufacturing process of Borewell Submersible Pumps with the aim to facilitate clients in find the best one for their needs. By calculating HP / Capacity of pump for bore-well, clients can choose from our wide range. We are a manufacturer, exporter and supplier of High Pressure Pumps, Sewage Pumps, Electric Motors, Borewell Pumps, Borewell Submersible Pumps Sets, Horizontal Open Well Submersible Pumps, Centrifugal Mono Block Pumps, Submersible Winding Wires And Cables, Electric Panels Covering Domestic, Agriculture and Industrial Range. Their applications include drip & sprinkler irrigation, construction sites, agricultural farms and mining, for ETP, STP & WTP purpose, high rise buildings for water circulation, rural water supply from bore well etc. Every product is integrated with Bore Well Pump Motors that are of finest quality and give high result.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	borewell pump set,borewell submersibles,dc solar pump,three phase ac induction motor,three phase motors,single phase ac induction motor,single phase induction motors,3 core flat cables,pvc insulated cables,submersible cable
No of Staff	1000
Year of Establishment	2000
OEM Service Provided	No
ProductRange	borewell pump set,borewell submersibles,dc solar pump,three phase ac induction motor,three phase motors,single phase ac induction motor,single phase induction motors,3 core flat cables,pvc insulated cables,submersible cable

Our Products

Mud Pump

**V10 Stainless Steel
Borewell Submersible**

**Stainless Steel V4
Borewell Submersible**

Shallow Well Pumps

CL Sewage Pumps

**Stainless Steel Sewage
Pumps**

**Booster Pumps 1440
RPM**

**Squirrel Cage
Induction Motor**

**Centrifugal
Regenerative Pumps**

Pressure Boosting Unit

**V3 Borewell
Submersible Pumps**

**V3 Borewell
Submersible Pumps**

**V4 Borewell
Submersible Pumps**

**V4 Borewell
Submersible Pumps**

**Magic Suction Pumps
2880 RPM**

**V4 Stainless Steel
Borewell Submersible**
