About Us

Global Wood India Pvt. Ltd., was started as Goyal Timber Store in 1985 at Karnal. Since then we grown and marked our presence in various cities like Delhi, Gandhidham and international market as leading **Manufacturer, Importer, supplier, Exporter and Trader** of **Meranti wood, Kapur wood, Sal wood, Pine Wood, Teak Wood**. These are widely used in commercial, industrial and domestic sectors and many more.

The foundation of Goyal Timber Store was laid by our pioneers Mr. Rishi Goyal and Mr. Vijay Goyal with the blessings of Late Shri Lala Lakhmi Chand Goyal. Within a considerable period of time, Goyal Timber Store earned a prominent place in the timber industry. They have helped us immensely in refurbishing and reforming our manufacturing facility with latest machines and equipment while keeping an eye on the advances in the market. Besides, these machines are operated by our skilled employees who assist us in all the process starting from planning to executing until final completion of the order. Our efforts have made us the proud members of Kandla Timber Association and Karnal Timber Association

Vision: We are committed to deliver best products and services at best prices while sustaining an eminent position and client base worldwide.

Customer Satisfaction: The two factors that assist us in meeting client satisfaction are quality products, timely delivery and prices. Our experts go an extra mile to ensure competitive prices without compromising on the quality.

Network: Our wide distribution network has contributed largely in boosting our annual growth in this ever competitive marketplace.
