About Us

Apolo Industrial Corporation (India) is a renowned manufacturer, supplier and exporter of various Auto Electrical Parts. Our range of products includes Holders, Switches, Lights, Adaptors, Fuse Boxes, Wirings, Tail Light Holders, Headlight Holders etc. The company was established in the year 1969, and since then, has earned an enviable reputation in both the domestic and international markets. Apolo is a professionally managed company that is highly customer focused and dedicated to supplying quality products and services at reasonable and competitive prices.

Apolo supplies its range of products to O.E.Ms and Auto ancillary units and while 'Apolo' is the company's brand name, it can also supply its products in the name of its buyers. Product Range

We are one of the leading manufacturer, exporter and supplier of India, dealing in quality products like Meter Holders, Meter Wire Holders. Our complete range of product includes Headlight Holders, Side Light Holders, Tail Light Holders, Dash Board Holders, Meter Wire Holders, Corner Holders and Meter Holders. The range is tailored as per the specifications provided by the customers. It is high durability, excellent performance, dimensional accuracy and corrosion resistant features of the product, which has increased its market demand. Further, we pack the product in quality packaging material saving it from any kind of damage during transit.

Key Facts
